Diversity “All-Majors” Career Fair Thursday in UIC Forum

Over 130 employers will be on campus this Thursday for the annual Diversity Career Fair for all majors. Many of the companies will be looking for engineers to staff internships, co-ops and full-time employment for pending graduates. **Make sure you are prepared** by researching companies, preparing your resume and elevator speech, dressing properly and following up with employers after the fair.

**Preparing for a Career Fair:** What to do before, during and after a career fair to make it a success!
