Preparing for interviews to guarantee a better outcome

So you just landed an interview for the internship or job you applied to. Great! Now what?

It’s time to prepare for your interview by following a handful of basic steps:
1) Make sure you research the company and position in more detail. Go beyond the company website by checking out LinkedIn, GlassDoor, news articles, blogs, etc.
2) Prepare answers for behavioral (soft skills) questions with real-life examples.
3) Prepare questions to ask during your interview. Example questions to ask.
4) Boost your confidence before the interview by doing these three things.
5) Make sure you are dressed properly for in-person interviews. Example interview questions.
